

Directions to Bedford Aichi

From the A1

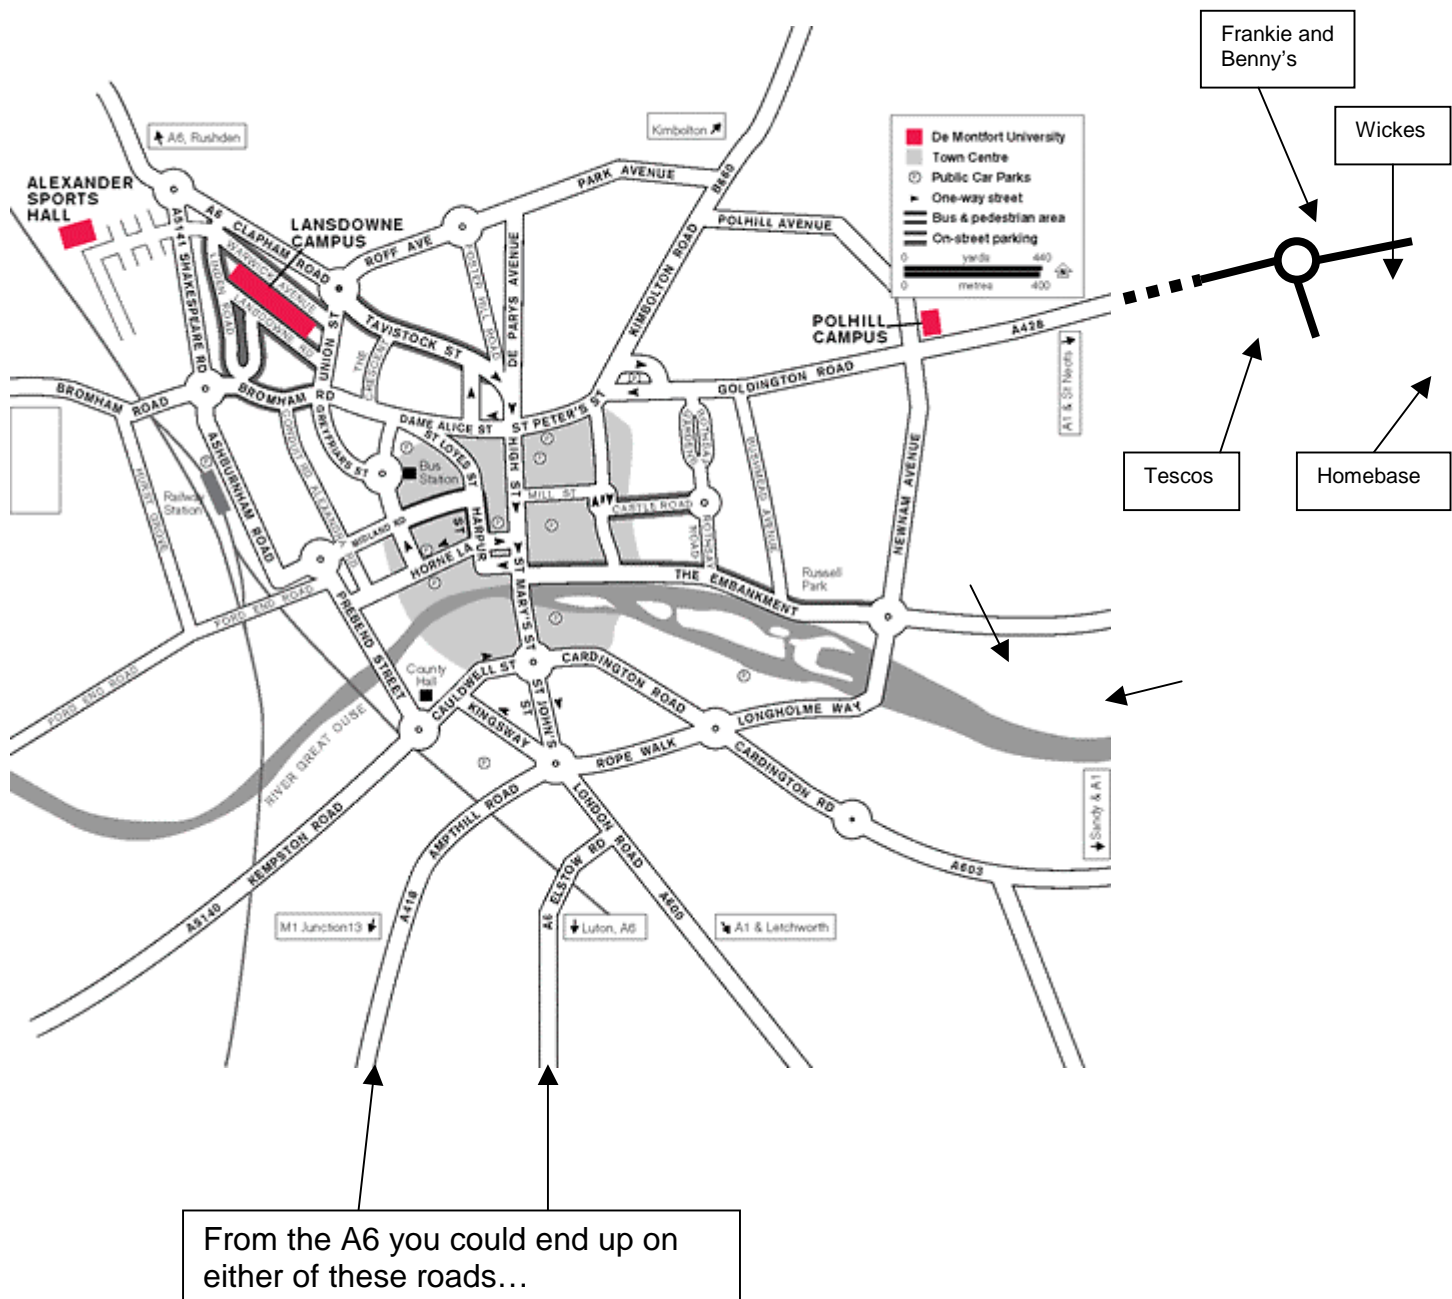

- (1) A1 North
You'll hit a 60mph speed limit (with a camera) and then a 50mph limit (again with a camera). After the 50mph camera take the slip road for the A603.
- (2) Follow the A603 through Moggerhanger and Willington and it will deposit you at a roundabout.
- (3) Take the A421 east.
- (4) After about a mile you will come to the next exit for the A428. Take this and take the first exit at the roundabout to go into Bedford. This almost brings you back on yourself.
- (3) This puts you on the A428. You'll pass an MFI (on the right), BMW dealership (on the right), Franky and Benny's (on the right) and Tescos (on the left), in that order.
- (5) Turn right on Polehill Avenue and then right immediately again into the University.

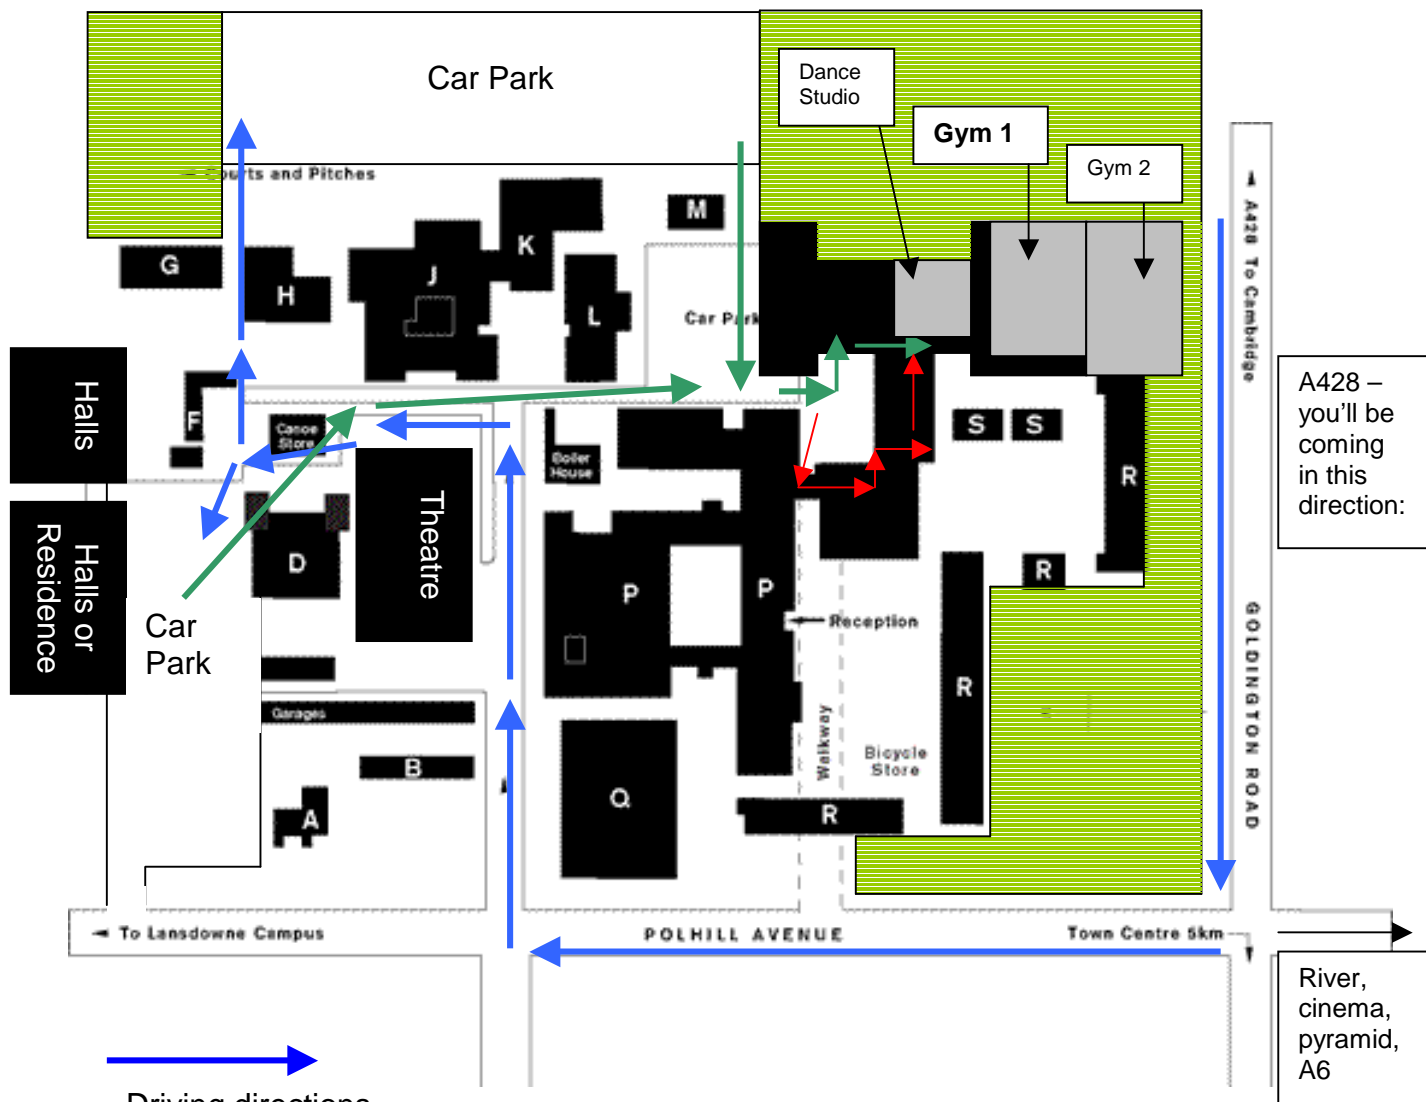

From the M1

- (1) J13 – A421
Take the A421 east (Bedford, A1)
- (2) You will pass a Little Chef and then the road turns into a dual carriageway for a couple of miles.
- (3) Stay on the A421. After the road turns back to a single carriageway you will come to a roundabout with distribution warehouses on your right. Go straight over this roundabout.
- (4) Another roundabout – straight over this. The road turns back into a dual carriageway. You will pass the exit for the A6 with a BP garage and Holiday inn on it.

- (5) Pass the exit for Hitchin
- (6) Pass the exit for the A603
- (7) After about a mile you will come to the third exit for the A428. Take this and take the first exit at the roundabout to go into Bedford. This almost brings you back on yourself.
- (8) This puts you on the A428. You'll pass an MFI (on the right), BMW dealership (on the right), Franky and Benny's (on the right) and Tescos (on the left), in that order.
- (9) Turn right on Polehill Avenue and then right immediately again into the University.

It'll look tempting to take the A6 – but don't. You'll have to make your way through the centre of Bedford. It is shorter, but only try it if you have an idea of where you are going.
